

Mr. Marty Jackson
US Coast Guard Lifesaving and Fire Safety
Division (CG-ENG-4)

- Marty Jackson is a marine safety specialist at Coast Guard Headquarters for lifesaving equipment.
- He has over 40 years of experience with the Coast Guard including engineering duty on the Coast Guard icebreaker WESTWIND, vessel inspections in Philadelphia, the Marine Safety Center, and for the last 17 years has been in the Lifesaving and Fire Safety Division CG-ENG-4.
- CG-ENG-4 is active in standards development, regulations, and compliance assessment for lifesaving equipment ranging from lifejackets, immersion suits, visual distress signals, EPIRBs, life rafts, lifeboats, launching appliances, and marine evacuation systems, to associated components such as inflation systems, engines, survival equipment, food, water, and hydrostatic releases.
