

## Mr. Chad Allen

Director, Marine Operations

**Shipping Federation of Canada**

- Chad Allen has been the Federation's Director of Marine Operations since February 2016.
- Chad has over twenty years of industry experience with OOCL - a major international shipping company - including a decade sailing between Europe, Asia, and North America.
- He holds a Diploma of Nautical Studies, a Bachelor of Maritime Studies, and a Masters of Maritime Management from Memorial University.
- Chad is also the industry co-chair for the Canadian Coast Guard's National Marine Advisory Board's subcommittee on eNavigation.
- He is also the organizer of the Mariners' Workshop, an annual event centering primarily on modernizing Canadian waterways supported by e-Navigation while focusing on the needs of Mariners.
