

## Christopher DiVeglio

Maritime Services Program Manager  
NOAA, National Ocean Service

- Chris DiVeglio works for the NOAA, National Ocean Service (NOS), Center for Operational Oceanographic Products and Services (CO-OPS) as the Maritime Services Program Manager – serving in this role since 2019.
- Chris oversees the NOAA Physical Oceanographic Real-Time System (PORTS®) program as well as engagement and outreach tied to CO-OPS current surveys and hydrodynamic models.
- Chris also serves as a member of the NOAA Precision Marine Navigation Core team.
- He regularly engages with various groups of maritime stakeholders and partners in seaports around the U.S. which are served by a NOAA PORTS®, in order to meet operational needs and enhancements for these valuable systems.
- He works closely with the operational teams and leadership within CO-OPS, coordinating projects and associated programmatic tasks related to the Maritime Services Portfolio.
- Chris' previous NOAA experience includes time in both data monitoring and data analysis roles.
- Before joining NOS in 2013, Chris worked as an operational meteorologist for a private weather company in the NYC area.
- Chris earned his Bachelor's degree in Meteorology from Plymouth State University in New Hampshire.
