

Mr. Minsu Jeon
Technical Operations Manager
IALA

Minsu JEON is the Technical Operations Manager at IALA. He is responsible for supporting and coordinating the work of the technical Committees and representing IALA to other international organisations such as IMO, IHO, PIANC and etc., in a technical capacity.

He has a Master's degree in Port Engineering from the Korea Maritime University (KMU).

Minsu worked as the Regional Safety Navigation Adviser in the Pacific Community (SPC) in Fiji, where he contributed to enhancing the awareness and level of safety in the Pacific region.

Prior to 2016, Minsu worked with the Korea Institute of Aids to Navigation (KAtoN).
